Frontend Tools:

React.js
JavaScript
HTML
CSS
Tailwind CSS

UI Libraries:

DaisyUI
ShadCN
React Icons
Framer Motion

Deployment:

Git
GitHub
Netlify
Vercel
Render

Currently Learning:

TypeScript
Next.js

EDUCATION

Masters of Computer Applications.

Himachal Pradesh University • Shimla (H.P) • 2025 • 7.56

Bachelor's of Computer Applications.

Government College Bilaspur • Bilaspur(H.P) • 2023 • 7.5

PROJECT

To-Do App – Task Manager

Personal Project • to-do-app-mu-peach.vercel.app/ • August 2025 – August 2025

- **Built** a task manager with Pending, Completed, and Deleted sections.
- **Enabled** users to add, complete, and delete tasks with one-click controls for smooth interaction.
- **Designed** intuitive sections for Pending, Completed, and Deleted tasks to keep users organized and focused.

Micgram – Instagram-Style Photo App

Personal Project • micgram.netlify.app/sign-in • March 2025 – July 2025

- **Created** a social app with secure login and image uploads.
- **Used** Appwrite for authentication and cloud storage.
- **Designed** a responsive UI with real-time content updates and smooth navigation.

Job Links – Full-Stack Job Portal

Final Semester Project • job-links.onrender.com/ • March 2025 – June 2025

- **Built** a job portal with secure login, job posting, and application tracking.
- **Designed** dashboards for recruiters and students with real-time data updates.
- **Managed** backend APIs and MongoDB operations for scalable performance.

Spotify Home-Page Clone

Personal Project • home-page-clone-spotify.netlify.app/ • February 2025 – March 2025

- **Recreated** Spotify's homepage with pixel-perfect layout and hover effects.
- **Used** Flexbox and Grid to mirror complex design sections.
- **Practiced** layout debugging and responsive design across screen sizes.

CERTIFICATIONS

Responsive Web Design

FreeCodeCamp • 2025

- Learned HTML, CSS, Flexbox, and Grid to build responsive layouts.

JavaScript Algorithms and Data Structures

FreeCodeCamp • 2025

- Practiced core JavaScript concepts like variables, loops, functions, and objects.
